

Juran on Leadership For Quality

By J. M. Juran

Free Press. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.8in. x 5.9in. x 1.0in. The subject of management for quality has undergone rapid and drastic change as a result of competition in the marketplace and the vulnerability of industrialized societies that depend heavily on the quality of goods and services. In this companion volume to his acclaimed Juran on Planning for Quality, J. M. Juran provides top-level managers with the specific, field-tested methods they need to successfully lead their companies on the quest for superior quality. Managers have long recognized that the most sound response to a competitive challenge is to become more competitive. Today, informed managers also realize that quality improvement is the best source of competitive advantage. They know that return on investment in quality improvement projects is among the highest available. Yet, the means by which management can supply the leadership necessary to attain quality goals remains elusive. J. M. Juran has drawn on the experiences of thousands of chief executives in companies around the world to create a clear plan of action applicable to any industry, whether service or manufacturing. The famous Juran Trilogy, clearly presented step-by-step, shows how to apply the familiar business concepts of...
