

## The School District Master Planning Guide: A Superintendent's Organizational Manual (Paperback)

By Dr Robert Kies

Malum Educational Media, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Challenges in today's schools often transcend the public classroom. Administrators are frequently faced with situations that require responsive actions rather than preventative measures. If school districts are to become world class institutions, master planning is an absolute necessity. Typically, books about master planning follow a specialized narrative which ultimately leaves the reader wondering how to implement the parts as a whole. By taking an organized executable approach to master planning, The School District Master Planning Guide describes education leadership endeavors in terms of programs, projects, functions and processes, which combined form an integrated holistic model. This holistic model takes the form of expanded descriptions, hierarchical listings, logical reasoning, and limited narration. Administrators and planning center personnel at all skill levels may immediately utilize The School District Master Planning Guide as a reference planning tool to develop and implement coherent master plans. The guide has been designed as a general overview of school district administration regarding educational administration in four phases or areas: Phase I: Organizational Planning (Organizational Planning Criteria Overview, Board of Education, Superintendent of...

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again and again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*
