A must-read for fans of Dumas's seminal work, The Princess of Bagdad - A Play in Three Acts would make for a worthy addition to any collection. Alexandre Dumas (1802-1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including The Three Musketeers and The Count of Monte Cristo. Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his extravagant lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. We are republishing this antiquarian book now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.
