For Bella, being the fiance of a busy CEO is difficult enough, but being a full-time medical student as well, is even more challenging as she tries to find the time for her man and her education. For Xander, living the life of a worldly CEO and being the fiance of a hard-working medical student has its up and downs, too. But he's no common CEO - he's also a dominant and an instructor at a prestigious domestic discipline training center, something he's finally forced to share with Bella, as well as all the feelings he had suppressed for so long. Having only worked together and been lovers for so long, Bella and Xander must strengthen their relationship in order to endure the hardships of longevity. Before they can begin their new life together, they must also learn to accept each other for who they really are - in and out of the office and bedroom. Realizing that being a submissive to Mr. Pettifor 9-5 doesn't compare to being his obedient partner 24/7, Bella thinks she has the perfect plan to strengthen their bond and to spend more time with her alpha male - to attend the school which Xander teaches at so that she learns exactly what he needs in a partner. But is she really ready for that? Xander doesn't think so and he worries the training may harm rather than help their relationship. As Bella and Xander struggle to find their way and make their unconventional relationship work, it seems everyone and everything is trying to come between them. And so their dance of push and pull...
