Jam-packed with exclusive revelations and fresh insight from people who have known and loved Rita for her entire life. She's the hottest pop star in Britain, with four number one singles, a number one album. She is credited with attracting an extra four million viewers to BBC1's The Voice and is one of two new star judges on The X Factor. But who is Rita Ora? What makes her tick? Rita Ora - as she would become - is now one of the most recognisable faces in music, and one of the new faces on The X Factor. But, following stunning pop success,...
