n/a, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The comprehensive work entitled "Outliving Your Ovaries: An Endocrinologist Weighs The Risks And Rewards Of Treating Menopause With Hormone Replacement Therapy" provides break-through, new menopause research explaining why pharmaceutical topical bioidentical hormones are safer than the most commonly used hormones. Dr. Marina Johnson gives poignant, clinical stories from her 30 years of clinical experience during which she has managed over 100,000 female patient visits. These stories depict the tragic consequences of estrogen deficiency and the joy of transformation that occurs when a woman is made whole again. This book will give a woman a guidebook that helps her evaluate the risks and benefits of hormone replacement therapy (HRT) in clear, easy-to-understand terms so she can better work with her own physician to determine what's right for her. REVIEWS: "Dr. Marina Johnson has been the personal physician for my wife, Susan and myself for the last nine years. I am 61 years old and Susan is 62. During this time, Dr. Johnson has provided us with a level of health care that can only be characterized as extraordinary. She takes the time to listen and explain and she does this in a manner that is clear and concise. She has tailored a health management program personalized for our individual needs and as a result, Susan and I are very healthy and vigorous for our age. I graduated from college with a degree in pre-med but chose to pursue the world of business. I have owned or co-owned several companies, including one that went public on the NYSE in 1996. I am an educated, health consumer and I research and learn about health issues that are affecting Susan and me. I have learned from the business world that..."
