PREPARING FOR SUCCESS IN CORPORATE AMERICA-COLLEGE GUIDE (PAPERBACK)

AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Preparing for Success in Corporate America - College Guide is a basic guide that provides fundamental and practical information to help college students effectively prepare for success in the corporate job market. This guide is a must for college students and was designed to help them understand the active role they must take in planning for life after college and the steps required to posture themselves for corporate success. It takes the reader through a comprehensive planning and preparation process, which covers every stage of the transition to ensure professional achievement. What makes Preparing for Success in Corporate America - College Guide unique is that most of the material in this guide offers proven and effective advice and guidance for succeeding in the work force, based on the author's twenty-plus years of professional experience in the areas of career planning, professional development, and human relations. Readers will learn what other successful professionals are doing to thrive in the work force, and what is needed to meet and exceed an employer's expectations. The tips and techniques are here: How to build a slam-dunk rsum. How to prepare for an interview and to land a job. How to keep a job after landing one. And most of all: How to remain competitive in an ever-changing job market. This book offers a step-by-step, easy-to-read guide to the principles of career success and provides the reader with unwritten corporate rules that can't be found in most other guides. Preparing for Success in Corporate America - College Guide offers straightforward samples of professional cover letters, rsums, thank-you letters, acceptance letters, and resignation letters that producemaximum results. The samples alone supply...
