By Bill Schmalfeldt

Createspace, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Quickly becoming the Lewis Black of Parkinson's disease, Bill Schmalfeldt (Author of Deep Brain Diary and No Doorway Wide Enough) continues his series of sarcastic and hilarious essays in the You Never Miss the Dopamine (until the brain runs dry) series. This time, along with his weird dreams, liberal political opinions, descriptions of his declining health and rants about literary agents, Bill deals with a real family emergency -- his 80-year old mother breaks her leg, requiring Bill and his wife to travel to Milwaukee to help tend to her. He includes an open letter to Michael J. Fox, wondering why there is no nationwide push for Parkinson's disease awareness and writes about his impending PD dementia with a sense of humor that may, in fact, be part of the madness. Both hilarious and poignant, this book is a must have for anyone with PD, anyone who knows or loves someone with PD, and anyone who might get the diagnosis someday. In other words -- you! -----
