Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Where s Stephanie? is about a grandmother s prayer to be reunited with her granddaughter who was given up for adoption. When her granddaughter Stephanie was born, there was only time to say hello and goodbye. But despite the baby s adoption shortly after birth, Anna Weber always longed for the day she d see her precious granddaughter again. Leaving hidden clues in unlikely places, including a letter in her granddaughter s Social Services file, Anna did everything she could to ensure Stephanie would track her down someday. What she didn t know was that this labor of love would span over the course of decades. In what can only be described as a series of miracles, Stephanie and Anna are placed directly in each others path over and over again--their families a hundred miles apart though somehow intertwined. Based on actual events, this inspirational novel follows the two women on a long journey to find each other in a tale about loss, separation, and the power of redemption. Realizing others are facing similar situations, Livingston provides readers with a list of adoption groups that can help in search for surrendered family members.
