The New York Review of Books, Inc. Paperback. Book Condition: new. BRAND NEW, Memoirs of a Revolutionary, Victor Serge, Peter Sedgwick, Adam Hochschild, George Paizis, A New York Review Books Original. Victor Serge is one of the great men of the twentieth century, anarchist, revolutionary, agitator, theoretician, historian of his times, and a fearless truth teller. He was also a great writer, the author of dazzling works of fiction, including the novel *The Case of Comrade Tulayev*, perhaps the finest book to emerge from the crucible of Stalinist terror, and of these no less extraordinary memoirs. Here Serge describes his upbringing in Belgium, the child of a family of exiled Russian revolutionary intellectuals, his early life as an activist, his time in a French prison, the active role he played in the Russian Revolution, as well his growing dismay at the Revolutionary regime's ever more repressive and murderous character. Expelled from the Soviet Union, Serge went to Paris, and barely escaped the Nazis to find a final refuge in Mexico. *Memoirs of a Revolutionary* describes a thrilling life on the frontlines of history and includes brilliant portraits of politicians from Trotsky and Lenin and Stalin and of major writers like Alexander Blok and Andrey Bely. Above all, it captures the sensibility of Serge himself, that of a courageous and singularly appealing advocate of human liberation who remained undaunted in the most trying of times. Peter Sedgwick's fine translation of Serge's *Memoirs of a Revolutionary* was cut by a fifth when it was first published in 1963. This new edition is the first in English to present the entirety of Serge's book.
