I wrote this book because it brought me inner peace, clarity and comfort. These are the things that I want to bring to my readers. Writing these beautiful poems over the years has made me connect and understand my inner self and what I have to share with others. From years of writing my thoughts in poetic verses, I thought it was time to share them with the world. Rhythms of the Heart was created to bring joy to your heart and a stronger sense of self being and purpose. So sit back and enjoy Rhythms of the Heart. I m sure it will touch your heart as it has touched mine while I wrote it.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
