Mesmerized by 50,000 year-old-artefacts, they stumble into a strange land and find themselves among the Ashais. The advanced Ashais people protect a strange bird and world-changing secrets. The team gains knowledge of the secrets. They have a compelling story to tell. truths that upend written history and challenge beliefs about the very genesis of mankind. The archaeologists are torn between the land they must protect as cultural stewards and new truths they must herald to the world. One of them is drawn to the mysterious people. He falls in love with the king's daughter. The people sense danger. They take pre-emptive action to protect their secrets and way of life.
