Pan Macmillan, New Delhi, India, 2014. Paperback. Book Condition: New. Edge of Eternity is the third and final part of Ken Follett's epic historical series, the Century Trilogy. Summary of the Book The five families of the Century Trilogy have braved it all through the 20th century. Now they have reached the difficult period of the 1960s to the 1980s. It is an era of social, political and economic turmoil. The times are rife with demonstrations for civil rights, political assassinations, mass political movements, the Vietnam War, the Berlin Wall, the Cuban Missile Crisis and presidential impeachment, revolution and the magic and promise of rock and roll. Rebecca Hoffmann's world as an East German teacher is shaken up as she discovers that the Stasi has been spying on her for years. She reacts by committing an impulsive act that will affect her family for as long as they live. George Jakes is the child of a mixed-race couple. He gives up a chance to pursue a corporate law career to join Robert F. Kennedy's Justice Department. He soon finds himself right in the centre of the principal events of a civil rights battle, not to mention a battle closer to home than he desires. Cameron Dewar is the grandson of a senator. He is excited at the prospects of being able to undertake some official and unofficial espionage for a cause he believes in. However, he will learn that the world is a much more dangerous place than he'd imagined. Dimka Dvorkin is a young aide to Nikita Khrushchev. She becomes a principal player as the United States of America and the Soviet Union race towards nuclear war. However, Dimka's twin sister, Tania, is carving out a role for herself that will etch her name into history and take her...
