## KAKURENBO: OR THE WHEREABOUTS OF ZEN PRIEST RYOKAN

[DOWNLOAD PDF](#)

Temple Ground Press. Paperback. Book Condition: New. Paperback. 268 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. An exploration of the life of the Zen priest-poet Ryokan is interwoven with memoir of the author as she observes Ryokans life during her own training as a Zen priest in Japan and encounters Ryokan in contemporary life as a model for learning and renewal. Ryokan loved the game Hide-and-go-Seek, Kakurenbo in Japanese, and this provides a metaphor as the author seeks to uncover the mysterious pathway of the hermit priest who seems to defy description. Ryokan had no plan to promote himself in any way or to encourage popularized stories about his life. He simply continued to live, not as a unique figure, but as someone authentic to his vow, living the Dharma somewhat hidden away as a hermit priest, as he climbed up and down the slope of his mountain refuge bearing the cold in winter and enduring the mosquitos in summer. Yet nearly 200 years after his death, Ryokan is known globally and we hold him in high esteem. Our wish to know him might suggest our hunger in these difficult times to touch a rare sainted life that is unabashedly simple. Perhaps we long to live fully in the courageous way that Ryokan did, to help us withstand with some grace the frictions and challenges that beset us. Translations of Ryokans poems by the acclaimed Nobuyuki Yuasa highlight each chapter, and appear throughout the book; they serve to express Ryokans teachings in the Dharma and his wisdom as a guide in the 21st Century. The memoir gives a personal glimpse into Zen training today where the author was the only woman and the first foreigner in the history of the 700-year-old temple. This creative medleybiography of Ryokan, authors memoir, poetry of...
