Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Blue Ibex Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 239 x 168 mm. Language: English . Brand New Book. This is the first authoritative guide to the prospects for business and investment in Albania. It shows how this small European state is opening up for business having recently strengthened its ties with the EU through a Stabilization and Association Agreement. Macroeconomic performance has improved sharply in recent years, thanks to policies under IMF-backed programmes, prompting new interest from the international business community.
