Now the one and only Jim Rogers shows how any investor can get in on the ground floor of the greatest economic boom since England's Industrial Revolution. In this indispensable new book, Rogers, one of the world's most successful investors, brings his unerring investment acumen to bear on this huge and unruly land now being opened to the world and exploding in potential. In short, if projections hold, China will surpass the United States as the world's largest economy in as little as twenty years. But the time to act is now. In **A Bull in China**, you will learn what industries offer the newest and best opportunities, from power, energy, and agriculture...
