Speed Writing - the 21st century alternative to shorthand, UK English spelling. Most people need a note taking system for work or study but few people have the time or inclination to spend a year or two learning shorthand. BakerWrite Speed Writing enables you to learn a new system in a matter of hours and become proficient within weeks. This book is laid out in 6 easy to follow lessons, that take about an hour each Practical guided exercises, with full answers, in each chapter and each session is rounded off with a dictation passage (available from Save time and become more efficient taking dictation, in meetings, on the telephone, in lectures or interviews. No strange squiggles to learn - just different ways to use the letters you already know Your notes will be easy to transcribe. Enhance your career with a new skill Save time by reducing your written text by an average of 33 - often more. Adapt the system to suit your needs. Free downloadable dictionary and workbook. A terrific opportunity to save time and change your working practices - for the better! What do people think of this speed writing system? The principles are very easy to follow, and I am already using it to take notes. BakerWrite is the easiest shorthand system I have come across. Having studied all the major shorthand systems and even other speed writing courses, I find BakerWrite a sheer delight. I will use this system all the time. Your system is so easy to learn and use. I will recommend this course to everyone who takes notes. About the author - Heather Baker Heather studied...
