*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

IELTS Target 6.5: Preparation for IELTS Academic IELTS Target 6.5 is aimed at students entering IELTS study at intermediate level. The main focus of preparation is the IELTS Academic examination, therefore this book is ideal for those seeking to gain accreditation for university admissions or for immigration purposes. The combined IELTS Target 6.5 Course Book and Workbook teaches language competencies, rather than focusing solely on exam preparation. The course consists of three four-unit sections that take the student from an intermediate to advanced level. Each unit focuses on developing vocabulary and key language skills in all four areas - speaking, listening, reading and writing. The Workbook provides additional practice to help consolidate learning. By the end of the course, students will be working with texts and language at an advanced level. The second part practises listening, reading or...
