Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, A Life of One's Own, Marion Milner, How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In A Life of One's Own Marion Milner explores these questions and embarks on a seven year personal journey to discover what it is that makes her happy. On its first publication, W. H. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy - ways which can be embraced by anyone. With a new introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness - whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background.
