You know how sometimes, you have these moments when everything in your life just falls into place in one perfect moment and you look around and think, this is it; this is what life is about, this exact, perfect moment in life that I m living right now. You may not be rich, or have a job you love. But something in your life, your family, a friend, your dog who loves you unconditionally, or your partner/wife/husband/lover, something or someone just occasionally breaks through the stresses of the everyday bullshit and makes you stop and smile and think.oh yes. Then fiery Pearl blows into the bay, nursing a broken heart and a tragic secret. She s determined to see out the winter in her Grandmothers run down...
