Neuware - Scholarly Research Paper from the year 2002 in the subject Business economics - Investment and Finance, grade: 1,3, Hogeschool Zeeland (unbekannt), language: English, abstract: Inhaltsangabe:Abstract: At present, rating is the number-one-topic discussed, both within the banking community and also, even more frequently, at enterprises. The second consultative package of the Basel Committee for Banking Supervision provides a basic change in equity capital contribution of banks. It is expected to change the rules of the credit business with institutional customers considerably. As a result, especially small and mid-sized enterprises are forced to enhance their credit standing in order not to struggle with the serious consequences of Basel II. This case study shows how!
