

## All about Fibromyalgia: A Guide for Patients and Their Families

Filesize: 6.52 MB

### Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

Oxford University Press. Hardcover. Book Condition: New. Hardcover. 272 pages. Dimensions: 9.2in. x 6.3in. x 0.9in. This year, six million Americans--most of them women--will go to their doctors, complaining of an illness they have no name for. The majority will be turned away or treated for depression; the few who persist will go to an average of four doctors before they receive the correct diagnosis: fibromyalgia. In their earlier *Making Sense of Fibromyalgia*, noted medical writer Janice Wallace and Dr. Daniel Wallace, a leading expert on this disorder, provided a comprehensive guide--for both patients and professionals--to this little known and poorly understood syndrome. Now, in *All About Fibromyalgia*, the Wallaces provide a thoroughly revised and updated version of that highly successful volume, incorporating a wealth of new information. This edition provides the current understanding of the disease as well as the latest drug treatments--all laid out in clear and accessible language. As in the previous volume, the authors provide a detailed, yet clear explanation of the disease. Fibromyalgia, they explain, is a form of chronic neuromuscular pain, a pain-amplification syndrome brought on by abnormal interactions between hormones, the immune system, neurotransmitters, and the autonomic nervous system. Sometimes the syndrome occurs spontaneously; in most cases, the authors write, it is associated with trauma, stress, such conditions as lupus and hypothyroidism, and over forty microbes, from hepatitis to Epstein-Barr to Lyme disease. Drawing on actual cases to illustrate their points, the authors help break through the isolation that patients often feel when doctors misdiagnose or simply ignore their symptoms. *All About Fibromyalgia* addresses a desperate need for information on this disease and offers reassurance to patients and their families. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
