REFORMING LAND-USE PLANNING

Paperback. Book Condition: New. Not Signed; The conventional wisdom in land use planning circles is that the 1947 Town and Country Planning Acts represent the most important step forward in the history of British land use planning. This is not a view that is based on systematic evaluation and, as this paper argues, there are good reasons for believing it to be misplaced. The problems with the land use planning system are analogous to those previously experienced with a number...
