Two broken spirits drift aimlessly through a sea of sorrow both suffering past mistakes and endless regrets. Newly divorced Claire Lancaster is devastated after losing custody of her daughter Zoey and struggles to find the key to regaining her life. Paul Winters, drowning in the abyss of having lost both wife and daughter to tragedy, has surrendered all hope. However, there are two loving spirits, determined to mend the shattered heart of the father/husband they left behind. These Passionate Spirits refuse to ascend beyond the physical realm until the Bumble Bee mansion is filled with love again.
