

## Music Theory For Dummies (3rd Revised edition)

By Michael Pilhofer, Holly Day

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Music Theory For Dummies (3rd Revised edition), Michael Pilhofer, Holly Day, Get more out of music with this essential guide Music Theory For Dummies makes music theory easy to understand, with a friendly, unintimidating overview of everything you need to know to become fluent at knocking out beats, reading musical scores, and learning to anticipate where a song should go whether you're reading someone else's music or writing your own. Whether you're a music student or a music lover, you'll learn to read, write, and understand music with this informative guide. With expert instruction, you'll put it all together as you compose, arrange, and create original melodies, harmonies, and chords of your own, with helpful tips for performing your pieces in front of an audience. This new third edition presents the most current teaching techniques, the newest music genres and examples, and updated information on all aspects of understanding, creating, and performing music. Studies have shown that music training improves children's verbal and spatial abilities, and it's been associated with cognitive and mathematical benefits in adults. The music job market is expected to increase over the coming years, and...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS
